Please consider being a sponsor for the
Annual SWS Gala & Auction
March 9, 2019, at St. Mark's Church on Capitol Hill!

School Within School (SWS) is a Reggio-inspired DC public school. The mission and philosophy of SWS is to support and develop children's potential through a child-centered, collaborative teaching and learning environment inspired by the philosophy and practice of the Reggio Schools in Reggio Emilia, Italy. **Not everything provided to SWS children is covered by the annual budget from DCPS; this is where we need your help!** Our annual fundraising auction helps supplement technology, teacher development, allows us to hire teaching assistants, and covers the cost of basic classroom supplies.

Through our partnership with DCPS and the generous support of donors like you, SWS serves families who live throughout the District of Columbia from PK3 through 5th grade. Each year we need to equip new classrooms, hire new assistants, and develop new curricula. With the continued generosity of community partners, we will realize our dream offering a full Reggio-inspired elementary school program, instead of just select Reggio programming.

Please help us reach our goals and become a 2019 Sponsor for the Annual Gala & Auction, which will take place on March 9, 2019, at St. Mark's Church on Capitol Hill. Choose among the the following sponsorship levels and benefits:
